Work History

WHDH/7News, Boston, Mass., (January 2023 - Present)

Digital Journalist

Covers breaking news and other general assignment stories for a TV news station's website. Manages social media posts and app push notifications. Makes real-time website layout decisions to reflect breaking news developments. Interprets audience engagement data. Helps source videos and interviews through social media.

Patch.com, Malden, Mass., (July 2022 - January 2023)

Field Editor

Produced 7-10 news items per day covering several communities in the Metro Boston area. Reported on municipal government, breaking news, features, business and human interest topics. Oversaw daily newsletters, social media promotion, and breaking news notifications. Exceeded daily pageview goals and worked alongside a larger team to increase engagement across Patch sites in New England.

Community Advocate, Westborough Mass.

Managing Editor (February 2021 - July 2022)

Initiated and led a 500% increase in monthly web traffic to publication's website. Planned and oversaw production of a weekly print product. Worked with a team of writers, photographers and freelancers, assigning stories and editing submissions. Was involved in decisions about strategy, personnel, and editorial growth while continuing daily reporting tasks.

Reporter/Editorial Assistant (June 2017 - February 2021)

Aided with various administrative tasks, managed social media accounts and edited videos. Conducted general assignment local reporting and provided beat coverage of two municipal governments.

Contributing Writer (June 2016 - June 2017)

Covered municipal government, local events, sports and more.

Freelance Writing/Photography (July 2018 - February 2021)

Wrote articles for DigBoston, Lowell Spin, BeLocal MetroWest, FiveByTwo Records, Fifty Plus Advocate, Hopkinton Independent. Photography published in Worcester Telegram & Gazette.

HudTV, Hudson, Mass.,

Cable Access Producer (April 2018 - August 2019)

Produced videos, conducted audio/video interviews, completed AV setups and appeared on camera during live broadcasts for a local access TV station. Organized station functions and programming.

Intern (Summer 2017)
